

Nursery Home Learning 6/07/20- Little Red Riding Hood

Recap the story from last week together. Discuss what your favourite part of the story was and why.

Have a go at this week's activities-

- ❖ Can you make a basket for Little Red Riding Hood using materials you have at home? Your challenge is for it to be able to hold 1 apple inside without breaking!
- ❖ Have a go at the character description sheet uploaded this week. Can you match the words to describe the characters correctly?
- ❖ Can you write a letter to Granny. What would you like to say to her?
- ❖ What shapes are in Grandma's cottage? Can you draw, cut them out and stick them onto paper to collage the cottage? You might want to add natural materials to your collage too such as grass and flowers. Please only use flowers off the ground though or weeds....do not pick them!
- ❖ Have a go at the colour by numbers sheet uploaded this week.
- ❖ Revise Ten town numbers and have a go at writing them.

Keep up the hard work Nursery!
