Dear Parents/Carers,

As we approach the last week of, what has been, a disrupted and challenging year we are now in a position to inform you of the classes and teachers that your children will have from September 2020.

We have been incredibly impressed with the engagement that we have seen with the home learning and on Seesaw; the teachers have really enjoyed communicating with the children and seeing the work that they have been completing at home. We would like to thank you for the support and understanding that you have shown during the enforced closure and phased reopening of the school.

Please see the table below to identify your child’s/children’s class teacher(s) for the next academic year.

Sadly, we will have some staff leaving us. We will be sadly saying goodbye to Mrs Cotter, who is retiring after a wonderful career where she has positively influenced the lives of many of Birmingham’s children and especially those at Heathlands. We wish her a peaceful and very happy retirement.

We are also saying goodbye to Miss Dhaled who is relocating and will be leaving us. We wish her lots of luck and good fortune in the coming years and with her new start.

Mrs R Perks who has worked at Heathlands for many years is also leaving us for a new position. Mrs Perks has inspired children with her love for music over the years and her passion for this will be very much missed.

Unfortunately, with the current situation, we can't say goodbye to them in the way we would have liked to.

I'm sure you will join us in wishing them all the very best in their futures and thanking them for being an important part of making Heathlands the wonderful place that it is.

You may also have noticed that Miss Dhooper is not on the class list. She will be due to start her maternity leave early in the autumn term but is not leaving us!

Next week, we will be sending a letter to you that will communicate initial details for a 'full' September opening. You may or may not have read the government guidance that was issued last week. I'm sure you will appreciate that there is a lot to organise. We will have two INSET days in September (1st and 2nd) and pupils will return on the 3rd. Separate information will be sent about Reception and Nursery starting dates.

We look forward to welcoming all the children back to school in September and having the school building full of happy, eager to learn children.

Your Sincerely

Mr P Higgins
Headteacher
