10th June 2019

Dear parents,

I hope you all had a lovely week and those of you that were celebrating the festival of Eid had a special time!

We have Father's day meals this week which we look forward to. We have had a few calls to the office requesting places. The deadline for requesting a place was last Wednesday and we have had to disappoint some families due to this not being met. The deadline is there to allow for the correct amount of food to be ordered and to make sure that we are able to get all of the children through in the time we have. I hope that parents are understanding of this.

P.E. kit: A polite reminder that children should have the correct kit. I am seeing a variety of tops coming into school which should not be worn. Please make sure that your child has a plain white t-shirt for their lessons.

Wishing you a great week!

Over the half term, 5 children from Heathlands performed at Disneyland Paris! This included a 20 minute show in the centre of Disney and also walking in the main parade. They had to audition to be able to attend and all of them thoroughly enjoyed it. All girls attend Sparkles dance school who have been running the gym and dance clubs after school this year. They will also be performing at the summer fair. If you have any stories about what your children get up to outside of school, then please let us know so that we can share them too!
