

Activities for the week beginning Monday 27th April 2020

Dear Reception children,

We hope that you are all staying safe at home. We are all missing you and can't wait until we're back at school! In the mean time we've put together some activities for you to do at home with your parents this week and remember to check back again next week for more!

Also if you haven't had a go at putting your learning on the seesaw app PLEASE have a go this week! We will be adding other challenges on there as well as the links to the phonics videos for you to have a look at.

Stay safe and have a great week!

Miss White, Mrs Ratheram, Mrs Hyde and Mrs Wilkes.
