

This week we thought it would be great for the children to work on challenges for their new teacher for when they come back to school. If you can share these on Seesaw that would be lovely as we can pass them onto their new class teacher to see.

Reception 13.7.20	Monday	Tuesday	Wednesday	Thursday	Friday
Complete these activities each day then send to Seesaw for us to share!	Make a little fact book about yourself for your new teacher. Draw pictures of your family, your house, pets etc. Don't forget to label the things that you draw!	Make an 'I can book' for your new teacher. Include things in it such as ... <ul style="list-style-type: none"> • What you are good at • What number you can count up to • How many objects you can count • What shapes you know ...and anything else that you are proud of!	Draw a self portrait (like we did at the start of term) for your new teacher so they know who you are and what you look like! Remember to draw... <ul style="list-style-type: none"> • Eyelashes • Eyebrows • Ears • Nostrils • Hair • Lips/teeth 	Let your teacher know what your favourite story is! Choose one of your favourite books, read it with a parent then draw your own front cover. If you can, send a video of you talking about why you like it to Seesaw OR you reading the story together!	Draw and label pictures of the friends that you can't wait to meet again when you come back to school! Why are they a good friend? What do you like about them?
Challenges!	Play this game so that you start to recognise numbers from 20-100! https://www.topmarks.co.uk/learning-to-count/blast-off	This game wants you to know if you can or can't do this challenge. You have to read the questions then choose whether yes you can, or no you can't. (When you click the link, for level 1, choose cvc, level 2 choose cvcc/ccvc) http://www.ictgames.com/mobilePage/tellATRex/index.html	Play this game to help you recognise numbers to 20 and beyond. You need to click on the number that comes next but watch out - it's pretty fast! http://www.ictgames.com/mobilePage/whackAMole/index.html	One of my favourite stories is Hairy Mcclairy from Donaldson's Dairy! You can read an interactive version here! Tell me what you think! https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/hairy-maclary/	Can you start recognising some capital letters? Play this game to find out more! http://www.ictgames.com/mobilePage/rabbits/index.html
