

Reception 29.6.20	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Maths-</b> This week we will be learning about doubling	<b>Activity-</b> Make a set of dominoes together by cutting up pieces of paper, drawing a line down the middle and drawing these spots onto each half (you need to make 28- see the next page so that you know what they need to look like.)	<b>Activity-</b> Talk about the dominoes that you made yesterday and ask your child questions such as <ul style="list-style-type: none"> <li>• Which has the most spots?</li> <li>• Which has the least?</li> <li>• Which domino has 6 spots altogether?</li> <li>• Which dominoes have a double? ie 0&amp;0,1&amp;1, 2&amp;2 etc</li> </ul>	<b>Activity-</b> Turn all of the dominoes over; take it in turns to turn them over one at a time and see if you find a double- if you do you get to keep it! The person who gets the most is the winner! (there are 7 doubles to find)	<b>Activity-</b> sort out the 7 double dominoes ie 0&0, 1&1, 2&2, 3&3, 4&4, 5&5 and 6&6. Talk with your child and work out what the double of these is by counting all of the spots on the domino ie double 1 is 2 Double 2 is 4 Double 3 is 6 Double 4 is 8 Double 5 is 10 Double 6 is 12	<b>Activity-</b> Can you remember some of the doubles from yesterday? See how many your child can remember! <b>CHALLENGE-</b> can you now make a double 7,8,9 and 10 domino? How many spots will they need on each half? How many spots will there be altogether?
<b>Reading/ writing</b>	<p><b>Reading:</b> Go to <a href="http://www.oxfordowl.co.uk">www.oxfordowl.co.uk</a> and read one of the following Read Write Inc stories <b>each day</b> (see below how to log in and find them)</p> <ul style="list-style-type: none"> <li>• Sound blending books 1,2 or 3</li> <li>• Sun Hat fun Hat, Nog in the Fog, Get up, I can hop, OR Fat frog (Red RWI level)</li> <li>• Get fit club, Jan's Pancakes, skateboard Sid, Will's Net or Go and Play (Green RWI level)</li> </ul> <p>The Read Write Inc (RWI) books at the top of this list are the easiest, then they get more tricky the further down you go. Remember, you want your child to enjoy reading so pick one that they can comfortably blend. Also, some of these books have more than one story in so just read one each day ie one book may take you 4 days to read. It's also great to re-read thro try later in the day so that they can build up confidence.</p> <p><b>Writing:</b> Choose a favourite part of the story they have read and talk together with them to say a sentence that they could write. Children to then have a go at writing the sentence remembering to use their Fred fingers and checking back to read what they have written.</p>				
<b>Phonics</b>	<p>Watch the daily set 1 sounds phonics videos on the <b>Ruth Miskin Youtube</b> channel <a href="https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ">https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ</a> The format is now slightly different and you just need to find the set 1 videos which will be on there by 9:30 each day. HOWEVER, If you feel that your child is really confident now with the set 1 sounds videos and can read lots of the green words independently, why not have a go at starting to learn some of the set 2 sounds using the <b>Set 2 videos?</b> Then practice reading and writing 2 <b>new</b> tricky words each day from your tricky word mat- by the end of this week you should be able to read and spell <b>12</b> tricky words!!!</p>				
<b>Creative challenges</b>	<p>This week we are reading the story.... <b>Aliens love underpants!</b> Watch it here <a href="https://www.youtube.com/watch?v=ADnAGBWlZqE">https://www.youtube.com/watch?v=ADnAGBWlZqE</a> then complete some of these activities....</p> <ul style="list-style-type: none"> <li>• Design your own alien- you can make him as CRAZY as possible! Ask your parent or sibling to draw one too- can you cut them out and make them into a puppet? Try retelling the story with your alien!</li> <li>• Use the playdough that you made last week to create your own alien- you could add other things in for their features ie dried pasta, beads, string etc for eyes, ears, legs</li> <li>• Imagine you are going into space to find the aliens- what else might you see? Watch this clip to inspire you! <a href="https://www.bbc.co.uk/cbeebies/watch/meet-astronaut-tumble-at-cbeebies-prom?collection=cbeebies-proms">https://www.bbc.co.uk/cbeebies/watch/meet-astronaut-tumble-at-cbeebies-prom?collection=cbeebies-proms</a></li> <li>• Listen to this short piece of music <a href="https://www.bbc.co.uk/cbeebies/watch/cbeebies-prom-chris-space">https://www.bbc.co.uk/cbeebies/watch/cbeebies-prom-chris-space</a> Do you like it? How does the music change? Is it loud or quiet all the way through? Why do you think it makes us think of going into space? Are there any other pieces of music that you like?</li> <li>• If you are interested in the planets in the solar system, why not do some of your own research with a grown up to find out a bit about them? Here's a short video telling you a little bit about the planets you would see in space <a href="https://www.youtube.com/watch?v=mQrlqH97v94">https://www.youtube.com/watch?v=mQrlqH97v94</a></li> </ul>				
<b>Physical</b>	<ul style="list-style-type: none"> <li>• This week here are some space inspired yoga stories to take part in!</li> <li>• <a href="https://www.youtube.com/watch?v=v9W8iV4AJYQ">https://www.youtube.com/watch?v=v9W8iV4AJYQ</a> (20 mins)</li> <li>• <a href="https://www.youtube.com/watch?v=LZAaZDVqCiA">https://www.youtube.com/watch?v=LZAaZDVqCiA</a> (10 mins)</li> <li>• <a href="https://www.youtube.com/watch?v=J89U-WZHFc0">https://www.youtube.com/watch?v=J89U-WZHFc0</a> (40 mins)</li> <li>• And finally something for you all to relax to today <a href="https://www.youtube.com/watch?v=QQCnWvvr08U">https://www.youtube.com/watch?v=QQCnWvvr08U</a> (10mins)</li> </ul>
