9<sup>th</sup> February 2021

Dear parents,

I am writing to you to tell you about how we are developing our remote education and how UWMAT schools are working together.

We are aiming to reduce the amount of screen time that our children are spending during lockdown. As such, the schools in the Trust are going to be taking over the learning on Wednesday afternoons with themes that take the children away from devices.

This week, Woodhouse Primary Academy in Quinton, are going to be leading the learning with some fantastic ideas around PE, baking, arts and crafts, science and dance. I have had a preview of the activities and they are really exciting!

It will be our turn after half term and I hope that our ideas will also inspire you. We are looking at a nature theme so if you have any great ideas, then please let us know!

The link to the Woodhouse page is here [Woodhouse Primary \(priacademy.co.uk\)](http://Woodhouse Primary (priacademy.co.uk)) . Please send through any pictures or videos that you are able to share of you completing any of the activities. We hope that you have lots of fun and look forward to seeing what you get up to!

Yours sincerely

Mr P Higgins.
