9th July 2018

Dear parents,

Last week we had our fantastic sports days! They all ran very smoothly and we were all very impressed with the efforts that our children put into the events. Thank you to all the staff who helped make it go so well and thank you also to the families that were able to attend.

Well done to year 6 for getting through their transition days at secondary school. They all came back to school buzzing about their experiences and excited about next year.

This week we look forward to reception assemblies. I know they have been rehearsing lots and I am sure they will put on a good show.

I hope you have a good week and good luck to England on Wednesday!

Mr Higgins

## Hot weather

During this hot weather we are still having pupils come to school without water bottles and sun hats. Please make sure they have had sun screen applied before school.

It is vitally important that your child has plenty to drink during this hot spell.

If your child suffers from hay fever, please make sure you have administered anti-histamine before they come to school.

## Cake sale and enterprise afternoon

Year 6 are holding a cake sale on Wednesday 11th July. Donations of cakes gratefully received.

They will also be running a games afternoon that day. Pupils will need to bring small change to school to take part in the various games and to buy cakes.
